Note: By New Mexico Law, Certified ADSs may only practice within a board-approved substance use treatment, prevention or harm reduction program with supervision by a NM licensed Doctor of Oriental Medicine at least every 6 weeks the first year of certification. Certified ADSs must have a GED and not have been convicted of a crime within the past two years.

Supervised internship of 40 clients. In order to be NM Certified or get a NADA certificate of completion, you will need to complete the supervised internship. You are responsible for identifying your supervisor. We are happy to provide a list of approved supervisors. You may need to pay your supervisor.

Scholarships for Part 1 are available for all NM Integrative Wellness MRC members – See next page for details.

Registration deadline is Oct 14 2022. Cancellations 4 weeks before the training start date will receive a 100% refund, Between 4 and 2 weeks before receive a 50% refund and after 2 weeks before start date - no refund.

Please make checks out to PHANM or email to PHAofNM@gmail.com for an online invoice.

Scholarship for Acudetox Training

The state of NM is in need of Medical Reserve Corps volunteers. Public Health Acupuncture of NM is the housing agent for the NM Integrative Wellness Medical Reserve Corps (NM IW MRC). To learn more about this volunteer group, go to www.phanm.org, and see MRC tab.

We will offer free Acudetox training (didactic portion Part 1) to NM IW MRC members.

In order to receive this scholarship, complete the following steps:

1. Sign up as a volunteer NM Integrative Wellness Medical Reserve Corps (45 mins)

Go to <https://volunteer.nmmrcserves.org/> (if you have any difficulties with this part, please email to Eleni@Fredlund.net)

- Click on: Register now
- Go to: Add organizations
- Choose: NM Integrative Wellness MRC Unit, by checking the check box, then click the select-it button at the bottom of the window.
- Go to account information and create a user name and password. You will need your drivers license information.
- Follow the prompts to complete Profile, Identity, Deployment Preference, Contacts, Occupation, Medical History, Licenses etc. You can do each section at your own pace. It takes from 30-45 min. Having your graduation dates, license numbers, vaccination records would be handy, however, not having them doesn't interfere with your completing most of it.

2. Complete FEMA Trainings 100 and 200 (free online classes) - 6 hrs total.

- Go to <https://cdp.dhs.gov/femasid> Choose Register for a FEMA SID button on Right
- Go to: www.training.fema.gov/is/ In the Search IS box enter IS-100.C After reading the course overview, you will notice on the right hand side there are three highlighted links, which are "take this course", "classroom materials", and "take final exam" Complete [Interactive Web Based Course](#) and the final exam. Save Certificate
- Repeat all the steps for IS-200.C

3. Complete Psychological First Aid (free online class –6-7 hours)

- Go to: <https://learn.nctsn.org> Choose PFA tab Create an account. Take the course and the final exam. Save Certificate.

All of the requirements must be completed to register. Send all scholarship requirement certificates by email to Eleni at Eleni@Fredlund.net

Required Activities for MRC membership

Just FYI, an MRC member is required to attend 2 meetings per year. Meetings are 2 hours long, and occur quarterly. Members must also respond to two deployments per year one of which can be the NM annual MRC Volunteer Summit in Albuquerque which is usually in February.
